**SUPPLEMENTAL AMENDMENT TO THE SPECIFICATION**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The Examiner is respectfully requested to enter the following supplemental amendments to the specification and to consider the following remarks. The supplemental amendments to the specification **replace** those included in the response to the first Official Action, which was submitted via first class mail October 09, 2006. Due to an inadvertent oversight, the October 09 amendments did not accurately match the pages of the specification and thus cannot be entered. The present amendments correct this oversight, are timely filed, proper and should be entered.
